

## JOHN DEERE LIGHT DRAFT BINDER

JOHN DEERE BINDERS are built for the man who wants real visible quality. The binder is one of the more important machines used on the farm, and a few dollars in price is of no consequence when the saving of a crop is a consideration. The difference between JOHN DEERE BINDERS and other makes can be better appreciated by a customer making a thorough investigation of the machine. We believe it will pay you to examine the JOHN DEERE BINDER before buying.

## RESOLUTION NO. 175

A resolution of the Commission of the City of Phoenix, declaring its intention to improve certain portions of Roosevelt Street in the City of Phoenix and determining that bonds shall be issued to represent the costs and expenses thereof, and declaring

the work or improvement to be of more than local or ordinary public benefit and that the costs and expenses of said work or improvement shall be assessed upon a certain district and providing that the proposed work or improvement shall be done under the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto. BE IT RESOLVED BY THE COMMISSION OF THE CITY OF PHOENIX.

SECTION 1.  
That the public interest and convenience require, and that it is the intention of the Commission of the City of Phoenix to order the following work to be done, to-wit:

1. That the roadway of Roosevelt Street from the east line of Central Avenue to the west line of Seventh Street (except that portion now occupied by the tracks of the Phoenix Street Railway Company and two (2) feet on the outside of each rail) and including the intersection of all alleys, private drives wherever shown on the plans hereinafter referred to and including also such portions of intersecting streets, alleys and private drives as is necessary to form an easy approach to the pavement hereinafter described be graded and paved with bitulithic with cement concrete base, bitulithic with bituminous concrete base, bitulithic with no base, cement concrete, "Topska" Asphalt concrete with cement concrete base, National, "Bitustone," Tarvia filled macadam, Asphalt concrete with bituminous concrete base or Dolmarway, as may be hereafter determined.

2. That a combined cement concrete curb and gutter be constructed along both sides of the roadway of Roosevelt Street from the east line of Central Avenue to the west line of Seventh Street, excepting at the intersection of streets alleys, private drives and approaches thereto as shown on the plans hereinafter referred to.

3. That a combined cement concrete curb and gutter be constructed along the edges of the roadways of all street intersections between the east line of Central Avenue and the west line of Seventh Street as shown on the plans hereinafter referred to.

4. That a cement concrete curb be constructed at the intersection of all alleys, private drives and approaches thereto.

5. That a cement concrete gutter be constructed across the intersections of all alleys, private drives and across the roadway of Roosevelt Street on the east and west side of First Street.

6. Across the roadways of the following streets at their intersection with Roosevelt Street; on both sides of Roosevelt at Second Street.  
On the south side of Roosevelt Street at Third Street.

On both sides of Roosevelt Street at Fifth Street.

On the south side of Roosevelt Street at Sixth Street as shown on the plans hereinafter referred to.

7. That corrugated iron pipe of the size and location be laid as follows: Fifteen (15) inches in diameter across all alleys and private drives and across the roadways of all the intersecting streets with Roosevelt Street as shown on the plans hereinafter referred to.

8. That cement concrete standpipes be constructed and gates be set to control the flow of water at the following locations on Roosevelt Street:

One (1) at Fifth Street.  
One (1) at the alley between Second and Third Streets, as shown on the plans hereinafter referred to.

9. That cement concrete pipes of the size shown be laid from the aforementioned stand pipes and corrugated iron pipe to a point six (6) feet back of property line as shown on the plans hereinafter referred to.

10. That a storm water man hole be constructed on Roosevelt Street at Central Avenue, Fourth Street and Fifth Street.

11. That gutter inlets be constructed to receive drainage water at the following locations on Roosevelt Street: Central Avenue two (2), Fourth Street two (2), and Fifth Street two (2), and that said gutter inlets be connected to storm water manholes with the size of cement concrete pipe as shown on the plans hereinafter referred to.

12. That the roadway of the intersecting streets, alleys and private drives be graded from the edge of the aforementioned pavement not to exceed ten (10) per cent until it meets the original surface.

All of the above work or improvement to be done in accordance with that certain set of plans approved and adopted by the Commission of the City of Phoenix, on the 12th day of April 1916, and on file in the office of the City Engineer in Book Three (3) of Street Improvement Plans on Pages 160 to 170 inclusive and in further accordance with the following specifications.

Standard Specifications of the City of Phoenix, Numbers 19, 22, 24 and 25. Curb and gutter work to be done in accordance with Specification Number 21.

Paving to be laid in accordance with the following Specifications, to-wit:

In case of bitulithic with cement concrete base Specifications Number 20.

In case bitulithic with bituminous concrete base Specification Number 25.

In case bitulithic with no base Specification Number 26.

In case "Topska" Asphalt Concrete with cement concrete base Specification Number 31.

In case National Pavement Specification Number 33.

In case Concrete Pavement Specification Number 30.

In case "Bitustone" Pavement Specification Number 34.

In case "Tarvia" filled macadam Pavement Specification Number 35.

In case Asphalt Concrete with Bituminous Concrete base Specification Number 37A.

In case Dolmarway Specification Number 38.

All of which above specifications are on file in the office of the City Clerk of the City of Phoenix. Said plans and specifications are hereby referred to for a more particular description of said work and made a part thereof.

SECTION 2.  
That the said contemplated work or improvement in the opinion of the Commission, is of more than local or ordinary public benefit, and that said

Commission hereby makes the costs and expenses of said work or improvement chargeable upon a district and hereby declares that the district in the said City of Phoenix, benefited by the said work or improvement, and to be assessed to pay the costs and expenses thereof, is described as follows:

All of Churchill and Central Additions being bounded on the north by the center line of McDowell Road, on the south by the center line of Van Buren Street, on the east by the center line of Seventh Street, and on the west by the center line of Central Avenue.

Excepting therefrom any portion of any public street or alley which may be included within the above described districts and excepting also all of Blocks 38, 41, 42 and 43 and Lots 1, 2, 11 and 12, Block 44, Churchill Addition, owned by School District Number 1, Maricopa County, Arizona.

A portion of Block 20, Central Addition, owned by School District Number 1, Maricopa County, Arizona, which certain premises shall be omitted on the assessment hereafter to be made to cover the cost and expenses of said work or improvement and the total costs and expenses of said work or improvement shall be assessed upon the remaining lots or parcels of land lying within the said assessment districts as provided for in Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code and amendments thereto.

SECTION 3.  
The City Engineer is hereby directed to make a diagram of the districts described hereinabove in Section 2, of this Resolution of Intention, to be assessed to pay the costs and expenses thereof. Such diagram shall show each separate lot, piece or parcel of land in said districts and the relative location of the same to the work proposed to be done.

SECTION 4.  
The said Commission finds that public convenience requires that serial bonds shall be issued to represent the costs and expenses of such work or improvement and said Commission determines that serial bonds shall be issued to represent each assessment of Twenty-five (\$25.00) Dollars or more for the costs and expenses of said work or improvement. Said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after their date until all is paid and the interest shall be payable semi-annually by coupon on the second day of January and July respectively of each year, at the rate of six (6) per cent per annum, on all sums unpaid, until the whole of said principal sum and interest are paid.

SECTION 5.  
The serial bonds herein mentioned shall be issued in accordance with the provisions of Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto and all the proceedings in the aforementioned improvements shall also be taken under Title VII, Chapter XIII, Revised Statutes of Arizona, 1913, Civil Code, and amendments thereto.

SECTION 6.  
The City Clerk shall certify to the passage of this Resolution of Intention and shall cause the same to be published ten (10) times in the Arizona Republican, a daily newspaper published and circulated in the City of Phoenix and hereby designated for that purpose.

SECTION 7.  
The Superintendent of Streets of the City of Phoenix shall post notice of said proposed improvement as required by law, and in said notices shall refer to this Resolution of Intention.

Approved April 13, 1916.  
GEO. U. YOUNG, Mayor.

I hereby certify that the above and foregoing Resolution No. 175, was duly passed by the Commission of the City of Phoenix at a meeting held April 13, 1916, and that a quorum was present thereat.

## RESIGNATION OF

## TEMPE POSTMASTER

## OPENING DAY OF

## W. C. T. U. CONVENTION

Incapacitated because of his continued illness, J. W. Woolf has tendered his resignation as postmaster of the Tempe office. Already there are various aspirants for the office and petitions asking for appointment were circulated yesterday and will later be forwarded to the authorities at Washington.

Postmaster Woolf was taken sick a number of months ago and his health is still in such a condition that he does not feel like shouldering the responsibilities of the office any longer than necessary.

BOOSTING ALUMNI  
Tempe high school alumni members have chosen next Saturday as the date for the organization of the Alumni society and invitations have been forwarded to every graduate of the institution requesting their presence on that day. Many have responded and it is apparent that quite a number of the alumni will be here for the social festivities and for the organization work. A ball game will be staged in the afternoon between the present school team and the alumni and
